

Art Challenges

Tonal Drawing

Try a tonal drawing of an object in your house. It could be a fruit, vegetable...anything!

Items to help with art activities

Some ideas for household items you could start to collect that may come in handy for arty projects in the coming weeks:

- Toilet roll/kitchen roll tubes
- Tissue and cereal boxes
- Large cardboard boxes
- Plastic bottles and tubs
- Newspaper and magazines
- Old wallpaper offcuts/samples
- Old paint charts/samples
- Used teabags/coffee grounds.

In the coming weeks Miss Murphy hopes to set up an online gallery, so make sure to keep any art work you are creating to share with us.

Most importantly have fun.
