N.B. The Governing Body will deal with all aspects of maintenance which are under their control. They will report to the EANI any other situation identified as being unsafe or hazardous and which cannot be remedied within the financial resources available to them;
- monitor, within the limits of their expertise, the activities of contractors (in liaison with the staff of the EANI), hirers and other organisations present on site, as far as is reasonably practicable;
- identify any member of staff having direct responsibility for safety matters and any member of staff who is specifically delegated to assist the Governors and Principal in the management of health and safety at the school. Such delegated responsibility must be defined as appropriate.

N.B. When any member of staff considers that corrective action is necessary, but that action lies outside the scope of their authority, they should refer the problem to the Principal.

Responsibilities of all Employees

All employees have a responsibility under the Act to:

- take reasonable care for the health and safety of themselves and of any person who might be affected by their acts or omissions at work;
- co-operate with the EANI and others in meeting statutory requirements. Not interfere with or misuse anything provided in the interests of health, safety and welfare;

- use protective clothing and safety equipment provided and ensure that these are kept in good condition;
- ensure that offices, general accommodation and vehicles are kept tidy;

- ensure that any accidents, whether or not an injury occurs, and potential hazards are reported to the Principal.

WHENEVER AN EMPLOYEE IS AWARE OF ANY POSSIBLE DEFICIENCIES IN HEALTH AND SAFETY ARRANGEMENTS, SHE/HE MUST DRAW THESE TO THE ATTENTION OF THE PRINCIPAL.

Please note the following: -

- It must be realised that newly appointed employees could be particularly vulnerable to any risk and it must be ensured that all relevant health and safety matters are drawn to their attention at an early stage.
- Whilst it is a management responsibility to instruct all employees in safe working procedures in relation to their posts and workplaces, employees may from time to time find themselves in unfamiliar environments. In such cases, the employee concerned should be particularly alert for hazards, and whenever possible, ensure they are accompanied by a person familiar with the environment or that they are advised of specific hazards.
- All volunteer helpers will be expected, as far as reasonably possible, to meet the same standards required of employees.

Responsibilities of Pupils

All pupils are expected, within their expertise and ability, to:

- exercise personal responsibility for the safety of themselves and their fellow pupils;
- observe standards of dress consistent with safety and/or hygiene (this would preclude unsuitable footwear, knives and other items considered dangerous);
- observe all the safety rules of the school and the instructions of the teaching staff in the event of an emergency;
- use and not wilfully misuse, neglect or interfere with things provided for safety purposes.

Visitors

Regular visitors and other users of the premises (e.g. contractors and delivery men/women) are expected, as far as reasonably possible, to observe the safety rules of the school.

Fire and Emergency Evacuation Procedures

- The school's procedures for fire and emergency evacuation around the school are appended. They are also posted in the school entrance hall.
- These procedures will be updated as appropriate.
- The log book for the recording and evaluation of practice and evacuation drills is available.

Fire Prevention Equipment

Arrangements are made to regularly monitor the condition of all fire prevention equipment. This would include the regular visual inspection of fire extinguishers and the fire alarm system.

First Aid

- First aid is available in Castle Tower School.
- There are first aid personnel at each key stage. Room with qualified first aiders displays a first aid sign on their door. All staff should ensure they know who the first aiders are at each key stage.
- The arrangements for first aid for sports, outdoor pursuits and field trips are the responsibility of the supervising staff.
